

NANORUCER Workshop, Moscow, January 13th, 2011

List of Participants

1. **Hans Hartmann Pedersen**
Programme Officer, Unit G.4 Nano- and Converging S&T “Nano-Manufacturing”
European Commission – Research Directorate-General
2. **Dr. Manuel Hallen**
Minister Counsellor Science and Technology, Delegation of European Union to Russia
3. **Dr. Thomas Reiss**
Head of Competence Center Emerging Technology, Fraunhofer Institute for Systems and Innovation Research
NANORUCER Coordinator
4. **Dr. Nadezhda V. Gaponenko**
Head of Department, Institute for the Study of Science, RAS
Leader of Russian team
5. **Sergey Mostinsky**
Head of Department, Russian Corporation of Nanotechnology
6. **Dr. Vladimir P. Zavaruchin**
Deputy Head of Department, Administration of the President of the RF
7. **Marine K. Melkonyan**
A.V. Shubnikov Institute of Crystallography of RAS, Nanotechnology NCP
8. **Evgeny V. Ugrinovich**
National Research Center “Kurchatov Institute”
9. **Evgeny I. Evdokimov**
Managing Director, Infrastructure Development, Russian Corporation of Nanotechnology
10. **Alexander G. Veresov**
Russian Corporation of Nanotechnology
11. **Alexander V. Naumov**
Head of Department, Ministry of Education and Science of the RF
12. **Anatoly A. Afanasiev**
Head of Department, Russian Corporation of Nanotechnology
13. **Anatoly A. Zaikin,**
Leading expert, Russian Corporation of Nanotechnology
14. **Vladislav B. Timofeev, Academician of the RAS**
Institute of Solid State Physics RAS (ISSP RAS),
15. **Igor V. Kukushkin, Corresponding member of the RAS**
Institute of Solid State Physics (ISSP RAS)
16. **Prof. Vladimir D. Kulakovsky**
Deputy Director, Institute of Solid State Physics (ISSP)
17. **Prof. Sergey A. Gavrilov**
Vice Rector National Research University Moscow Institute of Electronic Technology (in NNN responsible for nanoelectronics)
18. **Prof. Sergey V. Iordansky**
Landau Institute for Theoretical Physics, RAS
19. **Prof. Valery V. Rysanov**
Head of Department, Institute of Solid State Physics (ISSP)
20. **Prof. Vladimir R. Duflot**
Karpov Institute of Physical Chemistry, State Scientific Centre of the RF (in NNN responsible for nanomaterials)

21. **Dr. Kiril E. Borisov**
Federal State Unitary Enterprise «Special Scientific and Production Association “Eleron”
of the State Atomic Energy Corporation "Rosatom”
22. **Prof. Victor I. Pantsirniy**
JSC Bochvar All-Russian Scientific Research Institute of Inorganic Materials (in NNN
responsible for Nanomaterials
23. **Prof. Yury G. Mahlin**
Landau Institute for Theoretical Physics, RAS
24. **Prof. Konstantin Eltsov**
Director, SigmaScan LTD
25. **Prof. Mihail V. Feigelman**
Head of Department, Landau Institute for Theoretical Physics, RAS,
26. **Prof. Andrey A. Eliseev**
Lomonosov Moscow State University
27. **Prof. Yuri D. Ivanov**
Orekhovich Institute of Biomedical Chemistry of the RAMS
28. **Prof. Alexey A. Leontjevsky**
Deputy Director, G.K. Skryabin Institute of Biochemistry. and Physiology of
Microorganisms of the RAS
29. **Sergey V. Kostrov, Corresponding member of the RAS**
Director, Institute of Molecular Genetics RAS
30. **Dr. Aleksey A. Parfenov**
Nanotechnology Society of Russia, JSC Bochvar All-Russian Scientific Research
Institute of Inorganic Materials
31. **Mikhail A. Ananian**
Head of Committee “Nanotechnology”, Trade and Industrial Chamber of the RF
32. **Prof. Irina Deshina** (team member)
33. **Prof. Alexander I. Ageev**
Director of Institute of Strategic Studies
34. **Anna Gaponenko** (team member)
35. **Tatyana Chechenkina** (team member)
36. **Dr. Aleksander P. Isaev**
Deputy Director Institute of Strategic Studies
37. **Edouard Besserve**, CNRS office in Moscow
38. **Alexander V. Hvorostov**
Corporation Nanotechnology
39. **Olga Aksenova**
Delegation of European Union to Russia
