

## Strategic Partnership and cooperation between the European Union and the Russian Federation in the field of nanotechnology (NANORUCER)

NANORUCER workshop  
Moscow, 15 of April, 2011

### PROGRAM

09:30	10:00	<b>Welcome and registration</b>
		<b>Opening</b>
10:00	10:30	<b>Dr. Manuel Hallen</b> Welcome from the Delegation of European Union to Russia
10:30	12:30	<b>Sectoral Innovation System in NN Development in the EU and the Russian Federation</b>
		<p><b>Dr. Thomas Reiss</b> Assessment of the European sectoral R&amp;D system in nanotechnology, Fraunhofer Institute for Systems and Innovation Research, Head of Competence Center “Emerging Technologies”, NANORUCER Coordinator</p> <p><b>Dr. Nadezhda V. Gaponenko</b> Trends and problems on the way of building a balanced and adoptive Sectoral Innovation System of the RF in nanotechnology, ISS RAS, Head of Department, Russian team leader</p> <p><b>Anatoly A. Zaikin</b> RUSNANO: Current projects and infrastructure activity, Russian Corporation RUSNANO, Senior Expert</p> <p><b>Vladimir Mayer</b> Cooperation between France and Russia in nanophysics, Director, Bureau CNRS de Moscou</p>
12:30	13:30	<b>Lunch break</b>
13:30	15:00	<b>Opportunities for Cooperation between the EU and Russia in Nanotechnology</b>
		<p><b>Dr. Thomas Reiss</b> Development of topics for future cooperation, Fraunhofer Institute for Systems and Innovation Research, Head of Competence Center “Emerging Technologies”, NANORUCER Coordinator</p> <p>Expert groups brainstorming</p>
15:00	15:20	<b>Coffee break</b>
15:20	16:30	<b>Group Speakers</b> Presentation and discussion of groups’ results
16:30	17:00	Summary and closing
